BREAK THE CHAIN is a feature-length documentary film that addresses the often hidden-in-plain-sight issue of **Human Trafficking within Michigan communities** and the United States. The film chronicles two survivors of Human Trafficking - providing a detailed look at how trafficking goes unnoticed within our backyards. Accompanying the stories of these survivors are nearly 20 interviews with researchers, Senators, non-profit organizations, legal service agencies, law enforcement officers and several artists actively working to raise awareness for this global issue.
