

House Rules

It is important when someone works in your house that they understand the house rules. Please clarify the following points with the caregiver during the interview or during his/her first shift and post them in your home.

Rules on smoking, phone, parking, etc.	
Instructions/limitation for microwave, stove and refrigerator. Bringing food from home/eat with family.	
Breaks	
Home Security Issues	
Transporting Consumer – How and Where	
Procedure for answering phones/door when family is not home.	
Areas of home that are off limits	
Emergency Contacts – Name and Phone Numbers.
