

OUCARES Parent Support Program

## Everyday ABA for Parents

For parents and caregivers of children with ASD ages 2-8 years

Presented by Dr. Jessica Korneder, PhD, BCBA-D  
Assistant Professor at Oakland University & Director of the Oakland University ABA Clinic

**Saturday, May 20, 2017**

**9am-4:00pm**

Room 250K Pawley Hall Room  
Oakland University Campus

**Cost: \$25 per person**

**Registration Now Open at [oakland.edu/oucaresstore](http://oakland.edu/oucaresstore) (Click on "Programs")**

Learn how you can develop your child's skills and reduce challenging behaviors using the principles of ABA. Topics will include:

- Understand the basic principles of Applied Behavioral Analysis (ABA)
- Learn how to implement ABA techniques at home
- Develop techniques & interventions to improve your child's skills
- Identify methods to reduce your child's challenging behaviors
